## Important notifications for presenters

1. Research abstracts submitted to 2022 ICSLHM should be original contributions and should not have been previously published nor under consideration for publication elsewhere. Any abstract found being presented or published elsewhere will be rejected.
2. The submitting author should also be the corresponding author. For oral presentations, each presenting author is limited to submitting a maximum of one abstract.
3. First author register and upload abstract on the website (<https://ichepa2022.com>), and non-first author please register on the website and email abstract to [2022ichepa@gmail.com](mailto:2022ichepa@gmail.com) **before 23:59 September, 30th 2022 (GMT+8)**. Late submissions will not be accepted.
4. The oral presentation will be pre-recorded and played back during the conference followed by a live Q&A session. On the day of the conference, our staff will play the pre-recorded presentation and then the commentators, presenter and participants will participate in the live Q&A session.
5. Oral presentation format: The presentation should be 10 minutes with the presenter's slide and voice in the video, and 5 minutes with online discussion.  
Poster presentation format: The poster presentation will be displayed in physical form  
**Please note:**
  1. **Length of report may be adjusted according to the registration situation.**
  2. **The committee has the right to request participants to re-record the presentation if the images or audio are not clear.**
6. Since our conference will be held online this year, the on-line software being used will be announced about November, 2022. Please note that presenters should test the software with our staff during that time. Additional details will be sent via email before the conference.  
Thank you for your cooperation.
7. Oral/poster presentation submission deadline: **September, 30th 2022 (GMT+8)**
8. Notification of Acceptance: within two weeks after submission via e-mail.
